

REACT FORMAT

1. Each secondary school will send three of their brightest students from the JS and SS class respectively, making it a total of six students from each school.
2. The competition will consist of two rounds. The first round will select the top 10 students from each category (JS and SS), irrespective of their schools.
3. The second round will select the top three students from each category.
4. The goal of the exercise is to test the cognitive and reasoning abilities of the students.
5. There will be three sections in the exercise – Verbal Reasoning, Non Verbal Reasoning, and Quantitative Reasoning.
6. While this is not a subject competition, it is expected that the students have fluency in English and mathematics.
7. Both rounds of the exercise will be administered yearly around March.
8. Cash awards and scholastic materials will be provided to the overall top three students of each category. Scholastic materials shall be given to the next top seven of each category.
9. Recognition Plaques shall be given to the schools of the top three students of each category.
10. All these will be done during our annual empowerment/award giving ceremony.
